Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Daniel Nagy, and I work as a river guide throughout the state of Idaho. I am a resident of Teton Valley in Eastern Idaho and consider myself an environmentalist and lover of Idaho's waterways.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

It is imperative that we as Steward's, protectors, and responsible human beings in general to protect these 89 waterways.

Thank you for considering these comments.

Sincerely,

Daniel Nagy
