Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I'm moved to Central Idaho for its wild, rugged rivers. The Lochsa and Selway Rivers are some of my favorite rivers in the world. wildness and inherent value they possess make them huge assets to American citizens and key habitat for flora and fauna.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jonathan Absher
