Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am an avid whitewater kayaker and rafter. I spend my winters kayaking all over the Pacific Northwest and summers working as a raft guide on rivers in Oregon and Idaho. I have paddled the Lochsa for a few years in a row and am always astounded by the beauty of the river and surrounding area.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Emily Little
