Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Georgia but have paddled rivers in Idaho a number of times (Middle Fork and Main Salmon), and am considering moving to Idaho when I retire. I have friends in Salmon. I have put money into the Idaho economy via paddling outfitters and through staying in Salmon.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

PLEASE keep these rivers in the wild state in which they exist, not just for paddlers but for all who love wild places like I do.

Thank you for considering these comments.

Sincerely,

Heather Sutton
