Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I'm a hiker and whitewater paddler who had the privilege of boating the Selway for the first time a couple years back. The rivers in your jurisdiction are absolute gems, as I'm sure you know. I would love to bring my family out to paddle and explore the Lochsa, Salmon, and Selway, and I sincerely hope that we can preserve these rivers for generations to come.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Virginia Muir
