Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am an atmospheric scientist who has been involved in river recreation and study since the 80s.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I am in full support continued protection of outstanding whitewater streams in the Lochsa, Selway, and Clearwater watersheds.

Thank you for considering these comments.

Sincerely,

Sherry L. Olson
