Comments: I Support River Protections in the Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I have kayaked and rafted the Locsha and Selway Rivers since 1978. These watersheds are national treasures and must be protected for future generations to enjoy.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

These Rivers in central Idaho must be protected.

Thank you for considering these comments.

Sincerely,

Brent Logan
