Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a veteran commercial river guide who guides and recreates extensively in Idaho and Montana.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation as such. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

This matter is EXTREMELY important to me.

Thank you for considering my comments.

Sincerely,

Richard Wachs
