Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I will be a guide for four years and have grown immensely in the rivers of Idaho, especially the Salmon River. I have lived here my whole life and have learned so much about the fish, the plants and wildlife that people come to see thrive from all over the world.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Quit destroying things.

Thank you for considering these comments.

Sincerely,

Elli Kiselica
