Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

As a recreational boater on the beautiful wild and scenic rivers of America I hope the Forest service does everything in its power to not only retain the eligibilty of these waters but work towards designation I the future.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the future.]

Thank you for considering these comments.

Sincerely,

Alison Zeller
