Comments: Keep the River Free!

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a Montana native that loves to travel to Idaho for its beautiful rivers and many national forests. The Lochsa is a family tradition for us and we have grown to love that area.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The West United States is known for its wide open spaces and beautiful scenic areas. We need to preserve as many of these today for generations to come to enjoy.

Thank you for considering these comments.

Sincerely,

Chandra Taylor
