Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forest,

I lived in Idaho for 5 years and made at least one trip to the lochsa and selway every single year. Its an amazing place that deserves to be preserved as it is. I now live in Oregon for work and make fewer trips but I plan to move back there someday precisely because of these types of areas in Idaho.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.
