Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Jesse Delamotte and I am an avid whitewater rafter and all around outdoorsman. I moved to Idaho 8 years ago and have many the trip from Boise to the Clearwater every single year. There are thousands and thousand of people that cherish this area including the rivers and tributaries. This action to strip 89 streams of their protections seems drastic and ridiculous. Idaho prides it's self on its public land and taking away protection of that lands is unprecedented.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jesse Delamotte
