Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Will Manning, and I am a kayaker from the Southeastern US. As a member of the close-knit community that paddles whitewater, it has come to my attention that a number of wild Idaho rivers have come under threat. These rivers mean a lot for the whitewater community, as well as local communities and natural species who depend on the river for important resources.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Will Manning
