Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I'm a native Idaho, born and raised in our capital city. Being a third-generation Idahoan, I know what it means to protect our natural wonders and assets that this beautiful state has to offer. Growing up in the outdoors led to value many important things. Things like a sense of adventure, a sense of openness, and a sense of wild and scenic.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I believe that as a human, it is our duty to leave as minimal of footprint as possible. This is something that I feel PL 90-542 (otherwise known as the Wild and Scenic Rivers Act) does.

Thank you for considering these comments.

Sincerely,

Taylor Dudunake
