Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My family and I have enjoyed the Clearwater, Selway and Lochsa river drainages for generations. We feel the area of the world is a true gem. These drainages provide us with ample access to both developed and primitive camping, OHV, hiking, fishing and boating.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

John Moore
