Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Even though I live in Boise, I try to make time each year for a trip up to the Clearwater National Forest to rekindle memories made years ago and keep the tradition of recreating with my loved ones alive and well.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

From seeing the fate of rivers and streams around our country, I know that special places like these deserve our attention and protection. I hope that my grandkids have the same chances I've had to spend time along these incredible waters.

Thank you for considering these comments.

Sincerely,

Eric Oliver
