Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

[INSERT a bit about yourself here. Where do you live, what is your experience with these rivers]

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

[INSERT any specific opinions you have that support continued protection of any specific streams listed in the Draft Suitability Report]

Thank you for considering these comments.

Sincerely,

Clayton Windsor
