Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Jackson Wyoming. I am a raft guide and an avid outdoor enthusiast.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please do not open up an opportunity for special interests to destroy these wild places. Their protection essential to sensitive ecosystems, the recreation economy and the legacy Americans leave for current and future generations.

Thank you for considering these comments.

Sincerely,

Luke Toritto
