Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Although I live in Colorado, I spent several weeks this summer on Wild and Scenic Rivers in Idaho, including the Selway and the Middle Fork of the Salmon. Of all of the many rivers I've been on throughout the United States, these are two of the most special and spectacular I've seen.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Matthew Kirsch
