Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Robert Kuhnle and I live in Missoula, MT. I have been on these rivers for over 20 years, and have enjoyed floating these rivers every year. I so hope to take my kids on these same rivers when they are older, and I hope they will have a chance to take their kids on the same rivers, and experience the same wonders they hold.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Robert Kuhnle

Sincerely,

robert kuhnle
