Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

For my retirement, I'm completing a quest to kayak in all fifty states. Obviously, I love rivers!

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I feel it's extremely important to protect this historic and beautiful river system. As President Johnson said, the grandkids will love us for it!

Thank you for considering these comments.

Sincerely,

Diana Lee
