Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a whitewater kayaker, backpacker, and photographer. I live in the beautiful state of Washington where we have many amazing and beautiful rivers. Despite that, every year I find myself drawn back to the rivers of Idaho. These are truly wonderful and unique places to explore, reflect, and inspire.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please conserve and protect these wonderful places that draw myself and people from all over the country to the great state of Idaho.

Thank you for considering these comments.

Sincerely,

scott shepherd
