Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My family and I enjoy this nature so much. We pay our taxes and clean our highways. We host annual family rafting trips here, and these extended family members are also good citizens who pay their taxes, and live in these areas to enjoy these areas.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please, do NOT forget the culture you represent. I truly respect my legislators, this is why I'm doing my civic duty.

Thank you for considering these comments.

Sincerely,

Carrie Anson
