Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Natalie Timm and I am a nursing student at Montana State University. I am also an avid whitewater and outdoor enthusiast. Rivers all over the country, especially the Lochsa, have helped to shape me into the caring and compassionate person that I am today. Rivers are representative of life itself and it is vital that we protect them.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Natalie Timm
