Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Although I currently live in Nebraska, I have family in Idaho and travel there multiple times a year for the awesome paddling opportunities. I was just there twice this fall to kayak both the Selway and the Middle Fork Salmon.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please keep these awesome resources exactly the way they are today so I can take my daughters there someday as well.

Thank you for considering these comments.

Sincerely,

Michael Van Ruler
