Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I Live in Portland Oregon however I am a frequent visitor to Idaho for recreational opportunities-- especially on rivers. This past summer I was in Idaho twice because your state has an abundance of exceptional recreational rivers.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The Lochsa, Selway, and many other rivers in your report are such exceptional and rare streams that do not exist anywhere else. Please protect these rare and valuable resources as they are.

Thank you for considering these comments.

Sincerely,

Ken Goldberg
