Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Tucker Hamilton and I'm a whitewater guide on the Main Salmon River.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The world is running out of wild places, don't be responsible for the extinction of yet another. They cannot be replaced and they account for so little land mass anyway that there truly is no coherent argument for their complete eradication.

Thank you for considering these comments.

Sincerely,

Tucker Hamilton
