Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I travel to Idaho every spring to enjoy the rivers. I've visited the Lochsa, Selway, Payette, Main Salmon, and Middle Fork Salmon.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I am opposed to any legislation that reduces the protection on Wild and Scenic Rivers. I support legislation that expands the designation of Wild and Scenic to other rivers in Idaho and in this nation.

Thank you for considering these comments.

Sincerely,

John Simpkin
