Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I have been fortunate to have been able to enjoy kayaking and rafting the Locsha, Selway and South Fork of the Clearwater for the last 25 years and make the rip from Texas every year for a couple of weeks to take advantage of such a wonderful river system. i have been able to introduce my niece and nephew who live in Chicago for the last 10 year to these wonderful rivers.

These are unique water systems and should be preserved to allow future generations to enjoy these unique unspoiled rivers.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

LOREN STARCHER
