Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I'm a biologist and river runner. Between work and recreation I routinely visit areas west of the Mississippi River from Alaska to Baja California. I can honestly say Central Idaho is among the most impressive landscapes I've ever seen or spent time in.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

When public lands are protected, we all win. Lands surrounding these specific rivers are extremely important to preserve for the health of those ecosystems, and the benefit of all people for many generations to come.

Thank you for considering these comments.

Sincerely,

Joshua MacNaughton
