Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Chad, I am an avid outdoorsman and whitewater enthusiast. I am not a resident of Idaho, but I do wish to go there one day. There are few pristine whitewater rivers in Alabama where I live, and it blows my mind how anyone would think about risking that in a state where there are so many. Please reconsider your actions.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

[INSERT any specific opinions you have that support continued protection of any specific streams listed in the Draft Suitability Report]

Thank you for considering these comments.

Sincerely,

Chad Sizemore
