Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

[INSERT a bit about yourself here. Where do you live, what is your experience with these rivers]

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Having paddled the lochsa on many occasions fell deeply in love with this area and believe them all eligible to have wild and scenic designations.

Thank you for considering these comments.

Sincerely,

Nikko Grambow
