Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Montana, but consider myself a part-time resident of Idaho each spring and summer when I spend as much time as possible in the Clearwater drainages, boating, camping and enjoying all that this remote and beautiful part of the state has to offer.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The character of this area is unmatched and has a profound impact on thousands of boaters and visitors each year. Please consider the many, many people who enjoy the Clearwater drainage who are not locals.

Thank you for considering these comments.

Sincerely,

Jennifer Sauer
