Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Rivers and streams in the Salmon River / Lochsa area have both shaped my own personal life, as well the lives of countless numbers of other Idahoans and visitors alike. These wild and scenic streams are a large part of what makes Idaho such a special place.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Nick Benoit
