Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

As an avid whitewater paddler, I appreciate the grand opportunity for people to enjoy wild rivers in the New Perce Clearwater National Forest.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The economic benefits to your area can be encouraged by continuing protection to all 89 streams being studied. Please grant these benefits as a denial will cause harms to wildlife and the environment for many years.

Thank you for considering these comments.

Sincerely,

David Collins
