Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Oregon, but Idaho is one of my favorite places to be. The Lochsa river provides incredible recreational opportunities and must be protected! Keep Idaho wild, it is one of the most special places the US has to offer, I want me children to experience it as I have.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Ally Bugliari
