Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I've been a river lover since the early 80s when I first experienced the beauty of the remote Merced river in Yosemite. The Lochsa system is one I haven't visited but it's on my bucket list.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

This is an incredible opportunity to protect a crown jewel.

Thank you for considering these comments.

Sincerely,

Marguerite Young
