Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

While I don't live in Idaho, I have many friends who love Idaho's rivers and I hope to paddle them some day. I am also a strong supporter of Wild and Scenic Rivers, and with less than 1/4 of 1% of our nation's rivers protected as such, believe that it is important to expand those protections where we can.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

The Salmon, the Lochsa, the Clearwater and the Selway are world-renowned rivers, and their watersheds deserve protection.

Thank you for considering these comments.

Sincerely,

Amanda Wheelock
