Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

An Idaho native and lover of all things outdoors, I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Protecting our natural resources is our responsibility, and it shouldn't be taken lightly. I urge you to do all you can to continue to preserve these pristine and fragile resources. Idaho is a world class white water destination due to many of the watersheds cited here. Please protect them.

Thank you for considering these comments.

Sincerely,

Elise Clausen
