Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Robin Carleton and I live in Missoula, Montana.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

My family and I spend lots of time boating, hiking, biking, photographing, and camping every year. These areas have a high value as recreation and wildlife habitat and I believe they should be protected.

Thank you for considering these comments.

Sincerely,

Robin Carleton

Missoula, MT 59804
