Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a huge whitewater enthusiast, kayaker, and nature lover. I am also an active voter and tax payer. My vacations always revolve around escaping Boise and the corporate life to play in the great outdoors.

The Nez Perce Clearwater area is perhaps one of the most beautiful, natural, and fun areas of Idaho, if not the US. I do not wish to see it denigrated or transformed from its natural state. The streams and land must be preserved for future generations to enjoy. It's one of the few remaining wild and scenic areas of the US.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Sincerely,

Thomas Hermann
