Comments: Don't mess with the streams in the Clearwater/Nez Perce!

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I live in Helena, MT. I am a wildland firefighter and solo canoeist. In my travels around the country I have seen a lot of beautiful country. None of it compares to the in ruined splendor of the Lochsa and Clearwater. I visit, fish and float these water regularly. They are a jewel in the crown of this country and truly a gift that shouldn't be forsaken.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jared Judd
