Comments: Personal Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest management,

I'm from Maryland, but I've gone on vacations in Idaho 5 out of the last 7 years, primarily to kayak on your fast flowing whitewater and camp in your forests

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

i understand you are under pressure from lobbyists, but please consider those of us who value your state's natural resources in their unaltered condition. There are plenty of blue states I can vacation in as well if Idaho decides not to protect your rivers.

Thank you for considering these comments.

Sincerely,

Geoff Calhoun
