Comments: Please don't break my heart

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I lived in Salt Lake for a few years and visited ID regularly. The beauty still inspires me to this day. I am just a beginner boater so I have not even had the chance to paddle these beyond beautiful rivers!

Please, please let my child grow up to see the beauty of these rivers. It would break my heart to tell him what 'used to be'. There are other ways to do what you want to.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Don't you want the same for your kids, grandkids, friends kids, ALL people??

Thank you for considering these comments.

Sincerely,

Amy Anderson
