Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I have lived in western Montana for 34 years and have been fortunate enough to make the small(ish) jaunt down Hwy 12 at least once a year for the past 6 years to enjoy your beautiful rivers. Memorial Day every year has been spent whitewater rafting the Lochsa and the lower Selway and I was even fortunate enough to spend a long weekend steelhead fishing on the Snake/Salmon Rivers. These experiences rank among the top experiences of my life and ones I talk about with friends often.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Kathryn Seaman
