Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest

My name isn't Erik Sand and I am a concerned citizen living in White Salmon. I am an avid outdoorsman, hiker and whitewater kayaker.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

My concern isn't with the immediate ramifications of a loss in eligibility for these rivers and streams but I am concerned for years down the road with continued pressure from special interests to dam, divert, or develop these waterways.

Thank you for considering these comments.

Sincerely,

Erik Sand
