Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest

I am a lifelong user of Central Idaho rivers. Their pristine state is Idaho's greatest resource as a draw for tourism.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I urge you now to mortgage Idaho's wilderness for short term gain by largely out of state interests.

Thank you for considering these comments.

Sincerely,

Adam Taye
