Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My name is Mat McGrath and I live in Missoula Montana. I have been a guide on the Lochsa river since 2008 and have spent many years prior to that enjoying much of this area.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I strongly feel this amazing area, one of the last true wilderness areas, should be protected.

Thank you for considering these comments.

Sincerely,

Mat McGrath
