Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

My wife, son, and I are river and wilderness enthusiasts. We live in Missoula, MT, and we love whitewater kayaking and rafting in the mountains of Montana and Idaho. This past year, one or all of us paddled the Lochsa, Selway, and Middle Fork of the Salmon. We look forward to continuing to explore these watersheds, paddle these same and new rivers, and help conserve these natural resources for others to experience and enjoy.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Jared Bean
